JUDY HARRISON, BUSINESS MANAGER

With Southern's 50th Anniversary came the memories of our struggle... a struggle for more and better accomplishments.

Now our first 50 years are behind us and a renewed struggle has begun... a struggle to make Southern the largest and most prosperous institution of higher learning in Mississippi.

We might say that 1961 was our transition year... the transition between the past and the future. With this in mind we proudly present the reflections of 1961.

Southern's spacious new library and an enrollment of over 4000 has set the stage for our next 50 years.

Within the next year we will enjoy a new cafeteria, men's dormitory, infirmary, and women's dormitory. Appropriations have been set aside for improvement of many of the buildings on campus. An enrollment approaching 5000 has been predicted for the near future.

Our highest aim, "Southern to the Top," is fast becoming a reality and not just a dream.

## *WITH A FOCUS ON FRIENDLINESS*

Southern's growing pains are being felt by every student on campus. However, crowded conditions, long lines, and blocked streets where construction is taking place never dampen the friendly Southern hospitality that has always existed on our campus.

Southern, where everyone speaks, still holds fast to her tradition of being the friendly campus.

Dr. McCain's opening address to freshmen students is always remembered. . . from your freshman year to your senior year you can still recall his famous phrase. . . "At Southern we believe in upholding the tradition of Southern hospitality. We are a friendly campus as you've already witnessed. Here everyone speaks and is spoken to."

Students look forward to the formal dances, the casual coke dates in Wimpys, weekends on the coast, bull sessions in the men's dormitories, and hen parties in the women's dormitories.

Card games in the Union, movie dates, banquets and teas are all a part of Southern's tradition.

No matter where you venture on campus you are always welcomed by a warm smile, a wave of greeting and pleasant conversation.

From formal parties to a stroll around Lake Byron... the personality of the campus never changes.

Because we believe in Southern and feel we are a part of her success, we are honored to be a part of this never ending chain of friendly relationships between administration, faculty, students and visitors.

Southern students readily understand that only through knowledge can there be success.

With a wide field from which to choose we acquire the knowledge to lead and guide us after we have departed from the hallowed halls of this great institution.

Southern has incorporated a doctorate in education program. . . another step toward our "To the Top" goal.

Approximately 215 administrative officers, deans, and faculty members are ready at all times to council and instruct us in the betterment of our selves.

Undergraduates may be granted Bachelor of Science, Bachelor of Arts, Bachelor of Music, and Bachelor of Music Education degrees.

For those who choose to continue with higher education, the Masters degree is offered in several different areas.

From lab classes in Chemistry all the way across campus to lecture courses in Marketing. . . Southern offers the best.

With a studious group of students, a learned faculty, and a forward moving administration, Southern will continue to assume its "Biggest and Best" air.

# *SPIRIT*

Southern's transition year was filled with excitement and thrills. Spirit prevailed at pep rallies, competitive sporting events, and in campus elections.

As an evidence of our drive to the top, the Southerners were elevated from the rank of a small college team to a major college football team.

Yes, spirit ran high . . . from the excited fervour of a football game to the hushed silence witnessed before a fraternity sweetheart is announced.

This spirit holds us together as we strive for higher goals.

*MIRRORED ON THESE PAGES AS*

Southern's Alma Mater reflects our feeling for her. We sing to the our Alma Mater... yes, we sing and we are honored to be included as a part of such a progressive institution.

We sing because we believe in Mississippi Southern and because we believe in you we shall always be ready to protect, honor and love you.

We stand ready to hold high our praise for you.

*REFLECTIONS OF 1961*

As we glance back over the year we well remember the happy moments. . . the winning touchdown scored in the last minutes, the fraternities singing, honors day, the exams we studied so hard for and passed, the Sunday afternoons at the lake, the formal dates, ordering caps and gowns, rehearsals, and at last . . . graduation. We now look back and realize that the happy moments outweighed the sad moments and we are pleased with our realization.

"Men and Women of high ideals and practical goals, endeavoring to inculcate intellectual excellence in order that our student society might exhibit adequate skills in the Arts and the Sciences."

Imbedded in the spirit of advancement and progress, the able leaders, who continue to guide us in many varied fields of endeavor from philosophy to chemistry and from logic to the organics, are portrayed on these pages. No department has grown to any greater height than that of the Arts and Sciences under the leadership of Dean Allen. The areas of study have been broadened and intensified; the quality of instruction giving rise to the essence of learning. The additions of the new science building, the new library, and many new professors have extended to this department a new source of energy which can only be depleted through intellectual exercises.

The purpose of the School of Arts and Sciences is to provide a broad cultural and educational experience for all students at Mississippi Southern College as well as to make available to them the specialized disciplines for major and minor fields. Freshmen and sophomores, regardless of their expected majors, are assigned to Arts and Sciences for the purpose of meeting the general education or core requirements necessary for graduation.

The School includes: Biology, Chemistry, English and Literature, Foreign Languages, Geography, Geology, History and Government, Journalism, Mathematics, Military Science, Physics, Religion, Philosophy, Sociology, and Speech Arts.

The Leaders toward a stabilized economy: Qualified . . . Ambitious . . . exhibiting the qualities of business administrators, eager to train.

**DEAN**  
DR. JOSEPH A. GREENE, JR.  
*Mobilized knowledge*

In an era of industrialization and mechanization, men and women must find vent for preparation in the area of success. Thereby recognizing the need of leaders trained to guide the largest economy of the world, Mississippi Southern College has gained prominence through its School of Commerce and Business Administration. The aim of the School is to train the young men and women of today to enter the business world and the teaching profession better prepared for success than those who preceded them. This training includes courses in general areas of commerce.

The School is organized into five departments: Accounting, Business Administration, Business Education, Economics, and Marketing. Majors are offered in the following areas: accounting, business administration, business education, economics, foreign trade, office management, marketing, and secretarial studies. In addition, a student may choose a field of specialization in accounting, business administration or marketing. For a student who cannot attend four years, a two-year curriculum in secretarial training is offered.

Whether it be for personal advancement, the stabilization of the dollar, or an increase in the local or national standard of living; the student will find that competition is inevitable, and that success is gradual in the School of Commerce and Business Administration.

They taught the skill of Teaching, and having learned, the teacher imparts the skill to the mind.

"To teach is but to learn, and though learning might seem an end, it is only a beginning." The prominence of this quotation is representative of the broad educational procedure, and is carried out through the progressive functioning of the School of Education and Psychology. A major concern of this school is to offer those courses in education and psychology required in the preparation of teachers for elementary and high schools. A second major concern is to give basic training in the field of psychology for the student who will continue his work in graduate school, pursuing advanced degrees in this field. A third major concern is to serve other departments of the college having special needs which are usually met by professional schools of education, psychology, physical education, health education and recreation.

Fifteen undergraduate departments, areas and special services are included in the School of Education and Psychology, each of which has an administrative chairman or director. They are: Conservation, Natural Resources, Elementary Education, Health, Industrial Arts, Library Science, Physical Education, Psychology, Recreation, Secondary Education, Therapy, Audio-Visual Education, George Hurst Laboratory School, Reading Clinic, Special Education Services, and the Division of Extension and Correspondence.

The focus of our Work: The Family and improved Personal and Family Living.

#### DEAN

DR. BERTHA M. FRITZSCHE  
*Perfectionist in Living*

The Curricula and courses in the Division of Home Economics are planned to place emphasis on improving family living by preparing students for homemaking and for vocations which will further the improvement of living within the family. Students may select jamor areas, and or electives from the offerings in this division. The Division of Home Economics is organized into six departments: Child Development, Clothing and Textiles, Food and Nutrition, Family Life, and Housing and Home Management. Majors are offered in child development, clothing merchandising, clothing and textiles, institution management, teaching homemaking, home-economics extension service, home economics in equipment, and homemaking. A two-year schedule which leads to a certificate is offered for school-lunch managers.

It has been said that a woman's place is in the home, and we, in our adolescent maturation, have found this to be inevitably true. However, this woman should be trained in the arts of homemaking and child care. The intricacies of understanding, preparing, and directing our fellow-adolescents has become a function of education and learning, and which is so adequately performed by the School of Home Economics.

The Division of Fine Arts includes the departments of Art and Music, with special divisions of drawing, painting, commercial art, and many divisions of Music. Since the Arts have always been a personification of the mode of culture in a society, the college offers those students with special talents and abilities an opportunity to develop and improve their present talents in order to pursue the fulfillment of their capacity. The Department of Music was organized for a four-fold purpose: to combine musical and literary studies as a broad basis for regular college work; to use the art of music as a means of intellectual, aesthetic, and moral culture; to furnish instruction to special and general students; and to train vocal and instrumental supervisors of music and music therapy. The curriculum emphasizes the following areas: Piano, voice, violin, viola, violincello and string bass, composition, music education, church music and organ, Applied woodwinds, Applied Bass, and Music Therapy. Graduate courses are also offered in the applied subjects, theoretical and historical subjects, and music education, including psychology of music, seminar in music education, literature, and history.

**DEAN**  
**DR. PORTER L. FORTUNE**  
*Eminating Mastery*

The Graduate program at Mississippi Southern College is based upon firm foundations and ideals of academic excellence, scholarship, and research. These ideals are carried forward by a well-trained and carefully selected graduate faculty utilizing effectively the physical facilities of the college. In the field of education, Mississippi Southern College takes seriously its responsibilities for preparing teachers, supervisors, and administrators for all branches of public school service. In the School of Education and Psychology, the masters degree is available in the following fields: school administration and supervision, secondary education, elementary education, communications, psychology of reading, administrative personnel and counseling, health and physical education, business education, home economics, industrial arts, music education, and speech education. In addition, a year of work beyond the masters degree is available in the following fields of study: school administration and supervision, secondary education, and elementary education. This work is designed to meet the needs of those who wish to pursue terminal degrees beyond the masters degree, and, also, for those who expect to attain a doctorate. The masters degree is also offered in several subject matter fields.

The Students recognized by Who's Who Among Students in American Universities and Colleges are nominated from approximately 750 colleges and universities. Campus nominating committees consider, in making their selections, the student's scholarship, his participation and leadership in academic and extracurricular activities; his citizenship and service to the school; his promise of future usefulness.

After being chosen by the campus committee, the student's name is submitted to the national organization. Mississippi Southern is extremely proud of the thirty-five outstanding students who have been accepted for Who's Who.

Pictured on the following pages are the outstanding students of Mississippi Southern College for the year 1960-61. Each recipient is the possessor of one main outstanding quality: an exceptional ability in all of the different areas and modes of college life. It is easily recognizable from the listing of their activities and honors that these students have taken a part in and exemplified themselves in all phases of campus activity. The SOUTHERNER takes pride in presenting the outstanding students who have contributed the most to our campus community.

Pi Kappa Pi, national honorary scholastic fraternity, was founded at the University of Mississippi in 1925, in order to maintain honor, and extend sound learning. The Mississippi Southern chapter was installed on March 31, 1949.

Membership in the fraternity is open to students who have maintained seventy per cent "A" grades for ninety consecutive hours in residence at MSC. This standard makes Pi Kappa Pi the most demanding of all scholarship fraternities. Since Pi Kappa Pi recognizes high scholarship in any type of study for which a recognized academic degree is authorized, membership in the organization becomes a goal toward which many students may strive.

## *Southern's First Year in the Majors*

The Southerners attained a long-sought goal in football in 1960, even though they had their second straight 6-4 season. Through the untiring efforts of school officials and many friends of the college, Mississippi Southern was placed in the Major College category by the Football Writers Association of America.

Many thought the Southerners had reached a pinnacle by copping the Small College championship in 1958, and figured they should continue to compete in that bracket. But ambitious leaders are confident Southern will soon be among the top clubs in the Major College group.

The 1960 season must have been frustrating for Coach Vann and his staff. It would be for the leaders of any team which suffered four defeats by a total of 12 points!!

North Carolina State won by seven points, Arkansas State by one, Louisiana Tech by three and Memphis State by one.

The margins of victory in the six other tilts totaled 105 points as Southern won by 27 over Hardin-Simmons, 10 over West Texas State, 16 over Trinity University, two over Florida State, 26 over Abilene Christian and 24 over Chattanooga.

Of this group, Hardin-Simmons, West Texas State, Trinity, Florida State, North Carolina State and Memphis State are "Majors." So the team had a 4-2 record against big-time opposition and a 2-2 record against so-called "small teams."

When it was all over the Southerners had outscored their foes 189 to 96 and had out-distanced them in yardage, 3,478 to 2,204. Quarterback Don Fuell led the club with 1,037 yards, gaining the individual rushing and passing titles. Halfback Tom Morrow was second in rushing, first in pass receiving and the leader in pass interceptions and he also tied Fuell for the scoring lead.

Longest scoring play of the year was a 78-yard scamper by Fuell against Hardin-Simmons. Longest for the opposition was the 82-yard pass play Memphis State used to come from behind.

Quarterback Billy Larson was elected permanent captain of the club by his teammates, who chose Williamson All-American Ray St. Pierre as co-captain.

## Hardin Simmons 0

Mississippi Southern, newly classified as a major college, opened its football season in glorious fashion as they battered and bruised the Hardin-Simmons Cowpokes to death, 27-0, in Mobile's Ladd Stadium. The Southerners staged an 88 yard drive in 12 plays after taking the opening kick-off and then erupted for a 20 point explosion in the second quarter.

In the second half, the Southerners battled to a stalemate with the pass-minded Cowpokes, keeping their dangerous home run punch from materializing with some fine line rushing and careful coverage of the deep receivers. Southerner quarterback Don Fuell fired two passes of 20 and 13 yards to halfback Arnold Spence and end Charley Dedwylder and sent fullback Dan Pugh over the line for most of the rushing yardage in the series. Pugh scored from the three and Billy Larson converted for a 7-0 lead.

Fuell crashed the line on a keeper and managed to pull loose from several Cowpoke defenders for a 78 yard scoring gallop. Moments later, sophomore halfback Mike Orlander returned a booming 46 yard punt, 43 yards to the Cowpoke 31. From there Orlander ripped off 9 and quarterback Larson traveled 18 on a keeper to the Hardin-Simmons 4. Two plays later halfback John Sklopan bulled across.

Cowpoke quarterback Harold Stevens threw nine straight times in an effort to dent the scoreboard. His tenth aerial was intercepted by center John Ratesic, who lateralled to Sklopan for a 38 yard touchdown run. Morris Meador threw to end Leon Akins for the two point conversion.

The Southern line was sparked by the rushes of ends Akins and Dedwylder among others. Standout newcomers for the Southerners included centers Harold Hays and Ratesic, halfbacks Sklopan, Orlander, Charles Underwood and Jimmy Havard, end Billy Lyons and tackle Marvin Breazeale.

## West Texas 18

For their first home game, the Southerners showed a well balanced, ground assuring attack to offset the dangerous aerial assault of two West Texas State quarterbacks and posted a 28-18 victory over the buffaloes. The Southerners' methodical drives which accounted for three of the touchdowns were sparked by the running of fleet halfback Tommy Morrow, breakaway fullback Dan Pugh, and the rushing and passing of quarterbacks Don Fuell and Morris Meador.

After holding the Buffaloes on downs following the kickoff, the Southerners lunged 72 yards in 10 plays for a 7-0 lead. Fuell hit Morrow on a 10 yard pass and combined with Pugh to get the bulk of the rushing yardage. Andin McLeod punched in from the two and Billy Larson booted the conversion. On the ensuing kickoff, the Texans drove over to tie the score with sophomore signal calling whiz Jim Dawson, firing five complete passes, one for the touchdown. The Southerners promptly went 81 yards in eight plays to score. Pugh kicked off the drive by blasting over the left side for 23 yards. He climaxed the series by romping round end for 19 and the score. Fuell threw incomplete to John Sklopan for the two point try.

A field goal with four seconds remaining in the half by Buffalo tackle Charlie Williams left the score 13-10. An insurance touchdown came in the third quarter on a 74 yard drive consuming 11 plays. Meador called all his plays on the ground in the series, with Morrow scoring in a five yard burst. Fuell tossed to end Leon Akins for the two pointer.

Mike Orlanders' pass interception TD in the fourth quarter off John Bryant was quickly followed by a 58 yard Bryant-Jimmy Jares scoring aerial. Jares was behind the entire Southern secondary and never broke stride as he hauled in Bryant's scoring projectile to wrap up the 28-18 verdict.

## Trinity 0

Spearheaded by an early payoff effort of quarterback Don Fuell, the Southerners battled it out for most of two quarters before being able to tally on a safety in the third quarter and boost their lead 9-0. After a close half that saw each team narrowly miss several scoring opportunities, the Southerners held a close 7-0 lead at halftime. A 17 yard pass by Morris Meador to halfback John Sklopan, plus the conversion by Billy Larson, climaxed the game.

After jumping off to the early 7 point lead, the MSC team came back to strike again with a scoring threat when fleet halfback Andin McLeod snatched a Charley Patterson pass and set Southern up on its own 46 yard line. However, the ball was fumbled on Trinity's 15 and the Texans put the ball in play. McLeod, Larson and Orlander combined efforts and carried the ball to Trinity's 19 yard line but the attempt to score was foiled when a pass by Meador went incomplete and the Tigers took over on downs. Shortly afterward Trinity was halted. Southern carried the ball from its own 20 and six plays later Meador kicked the ball to the Tiger's 37.

Southern took the second half kickoff and managed to move it to Trinity's two yard line in 15 plays where Dan Pugh was held for no gain and the Tigers took over again. This time Trinity failed to get past its two yard line. Butler fumbled a pass from center and was tackled by Leon Akins and Charley Dedwylder for the safety to increase Southern's lead 9-0.

The Tigers came roaring back gaining heavily with a 46 yard Connell to Boutwell pass play to bring it to Southern's 33. The Southerners then started a drive to the Texans' 17 where Meador connected on a 17 yard aerial play and Sklopan went over for the final TD. Larson kicked the extra point to close out the scoring.

## Florida State 13

The Southerners handled their toughest opponent to date when they met the Florida State Seminoles in Mobile's Ladd Stadium. As in the 27-0 Hardin-Simmons victory, the Southerners piled up all their points in the first half. After exchanging first downs and punts in the game's opening minutes, the Seminoles fumbled the ball to their own 22 yard line. After quarterback Don Fuell hammered out three yards, halfback Tommy Morrow broke over the left side, reversed field and completed a 19 yard scoring thrust. Billy Larson added the point.

Moments later, after the Seminoles registered two first downs before being forced to punt, The Southerners punched out 76 yards in 16 plays to score again. Later, with Fuell at the controls and running for most of the yardage, the Southerners reached the Seminole six. Fuell, pressured from behind the line, threw complete to Morrow who made a brilliant catch at the one. After sneaking over the score, Fuell passed to end Charley Dedwylder for two points and a 15-0 lead in the second quarter.

Sklopan furnished some fireworks late in the half by bursting 76 yards to the Florida State 4, where end Fred Grimes hauled him down. In the plays that followed Morrow gained two, Pugh got one, but Meador lost one for an attempted sweep and Pugh was stacked up a yard short as the half ended.

After intermission, the Seminoles diversified their attack, balancing their running and passing game and staged two sustained drives for touchdowns. The second drive garnered 80 yards in 17 plays. After a first down at the eight, the Southerners held on fourth down at the one, but an offside penalty gave fullback Paul Andrews the extra chance to bull over. In the final minutes neither team was able to muster a serious threat.

## North Carolina State 20

The North Carolina State Wolfpack handed the Southerners their first defeat of the season, 20-13, before the largest crowd ever to attend a home contest at Faulkner Field. Southern's team scored the first touchdown to make it the fourth time in the five games played that they were able to score the first time the ball was in their possession. The game expected earlier to be an aerial due between the Wolfpack's Roman Gabriel and the Southerner's Don Fuell turned into more of a ground game for the Southerners with quarterback Gabriel monopolizing the aerial warfare.

Starting quarterback Fuell took the opening kickoff and hustled it back 29 yards to the 41 to get the Southerners going on the first touchdown drive. Halfbacks Sklopan and Tommy Morrow then combined efforts with fullback Dan Pugh to sustain a steady drive to the 24 yard line. Morrow, Sklopan and Fuell maintained a drive through short gains to the four yard line. Sklopan then made the tally. Quarterback Billy Larson kicked the extra point.

The hard hitting Wolfpack charged right back and gained steadily to MSC's 27. Gabriel then completed the first of nine perfect passes in the first half hitting end Vollmer for a 27 yard gain. Tackle George Hultz rammed through and blocked the extra point attempt to maintain the 7-6 for the Southerners.

Gabriel, the passing ace, again sneaked the ball over for six points and passed for two more to build his team's lead to 14-7. The Wolfpack then traveled 96 yards by the pin-point passing of Gabriel with the aerial whiz picking up three first downs on successive plays and completing eight pass attempts. The drive was climaxed when Gabriel fired a pass to Collice Moore who was stationed at right end. This upped the score to N.C. State 20, Southern 7.

In the second half Quarterback Morris Meador exercised pro-like faking and got to the 12 for a first down. McLeod, after gaining three yards to the six, made a great pass reception from Meador and added Southern's second six-pointer of the night. The extra point attempt was blocked. Neither team was able to get a touchdown drive going in the fourth quarter.

## Abilene Christian 8

The Southerners staged an awesome offensive attack to demolish Abilene Christian, 34-8. Morris Meador booted a 39 yard punt to the Abilene Christian 34, where it was fumbled. Arnold Spence hopped on the pigskin and Southern scored six plays later. Fuell passed from the 21 to Mike Orlander at the 14. Orlander, trapped by the Abilene defenders lateralled to Spence who eluded several fire breathing pursuers and dove headlong into the end zone at the side lines.

Still in the first period halfback Tommy Morrow broke loose for a 57 yard run to the Wildcat 30. Halfback Andin McLeod carried twice for 17 yards and plowed across from the one for the second touchdown.

Fuell entered the heroics with three consecutive pass completions to end Charley Dedwylder in a 65 second period scoring match. Fuell sneaked over from the one for the third tally and Billy Larson kicked his second placement of the day for 20-0. Moments later Larson received his offensive opportunity and cashed in directing the club on a 57 yard scoring march in seven plays. The payoff play was a 19 yard pass to sophomore end Don Hultz, who had also snagged a 15 yarder in the drive.

The Southerners added to their 27-0 halftime margin in the third frame with their longest scoring play of the season. Fuell fired a 15 yard strike to Morrow from his own 24. Morrow outraced Abilene quarterback Charley McCook on the 76 scoring burst. Southern fumbled at their own three to open the gates for the Wildcat touchdown which came with 71 seconds left in the third quarter.

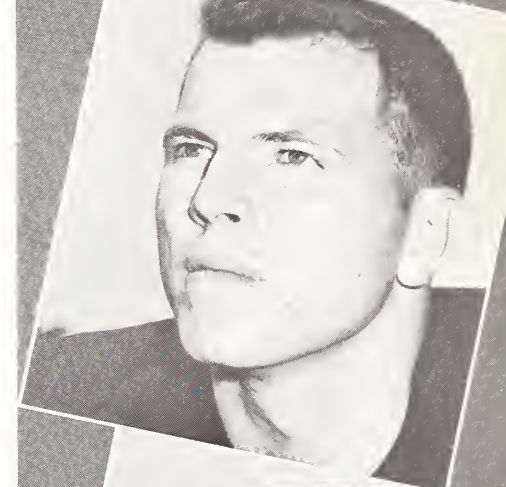

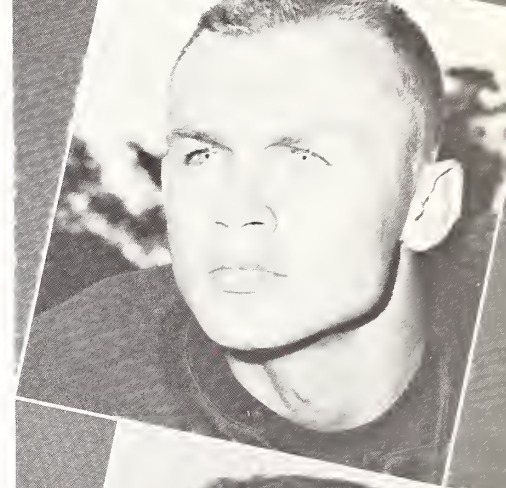

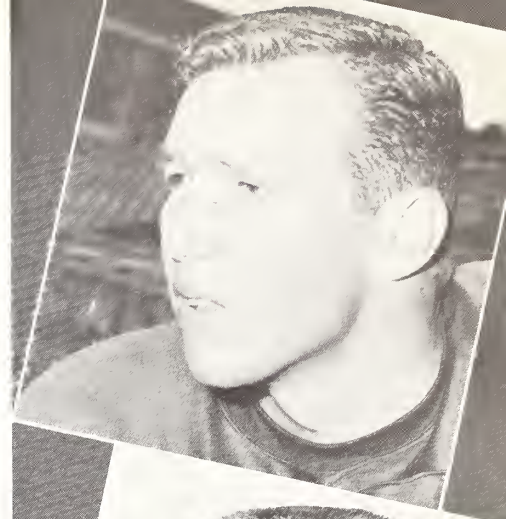

The Wildcats were awarded a safety in the fourth, when center Harold Hays' wild snap from center sailed over Coleman's head on an attempted fourth down punt in the end zone.

Without the services of first line backs John Sklopan and Dan Pugh and ends Leon Akins and Gayle Winchester, all of whom were out with injuries from the previous game, the Southerners nevertheless were able to rip out Wildcat defenses for a total of 429 yards. The aerial attack clicked with deadly precision with 13 completions in 19 attempts, including 7 for 7 by No. 1 quarterback Don Fuell.

### Arkansas State 14

Upstart Arkansas State punctured Southern's porous pass defense for two fourth quarter touchdowns to pin the Southerners with their second defeat of the season. Indian quarterback Jimmy McMurray fired a pair of brilliant aerials to brilliant end Alfred Bentley and hit the senior flanker with a crucial PAT pass to bring the Indians from behind twice for a homecoming victory at Jonesboro.

After Southern's first unit sputtered early in the game, the second unit guided by senior Billy Larson cranked up a scoring drive in the second period to give the Southerners a 7-1 halftime margin. With sophomore halfback John Sklopan rushing for 38 of the 83 yards covered in the drive, Larson's unit powered its way to the Arkansas one. From there, at the half by a squeeze, the day's transplanted Wendell Campbell plunged over from the fullback slot. Larson booted his twelfth placement point of the season.

After a bruising but unproductive third quarter, McMurray unlimbered his deadly arm and tossed a seventeen yard scoring strike to Bentley and hit his end again for an all important two point conversion. The Southerners arose to the situation with lightning efficiency. Halfback Tommy Morrow hauled in the kickoff and raced 62 yards to the Arkansas State 28. On the next play quarterback Don Fuell tore off 18 yards to the ten yard stripe and moments later slashed across from the eight.

Out front by 13-8, the Southerners tried a two pointer. Fuell, rolling out to pass, was forced to run and was downed at the goal line. McMurray and the Indians bounced back. With the lanky field general connecting on six passes in a sustained drive, the Indians reached the ten, from where Bentley grabbed an end zone toss for the winning tally. A 37 yard screen pass play from Fuell to Morrow left the Southerners at the Indian 35 as the game ended.

Sklopan, Morrow, Larson, Fuell and halfback Andin McLeod were offensive stick-outs for Southern. Guard Ray St. Pierre and tackle George Hultz were line stalwarts.

## Mississippi Southern 7

## Louisiana Tech 10

The Southerners were frustrated by determined Louisiana Tech 10-7 in a fast moving game in which the Southerners overwhelmed the visitors in yardage, but after the first period failed to find the scoring punch. Again, passing proved to be a deciding factor in the heartbreaker. The Bulldogs riveted the Southern secondary with four completions after recovering a fumble at the Southern 43, to place the ball on the five in the second period. From there halfback Paul Haynes blasted over in two tries and kicking specialist Bud Alexander split the uprights to tie the score 7-7.

In the third period, following an intercepted pass thrown by Don Fuell, at the Southern 31, Alexander booted a close field goal from the 23, after several passes went awry. The score sewed up the ball game. The Southerners dominated play completely in the first quarter. Following the kickoff, Fuell collaborated with end Charley Dedwylder for 41 yards to the Tech 25, but the drive was stopped at the five as Fuell threw incomplete twice. A short kick by Tech rolled out at the 26, Fuell threw to Tommy Morrow for 21 yards and a touchdown. Billy Larson added the point from placement.

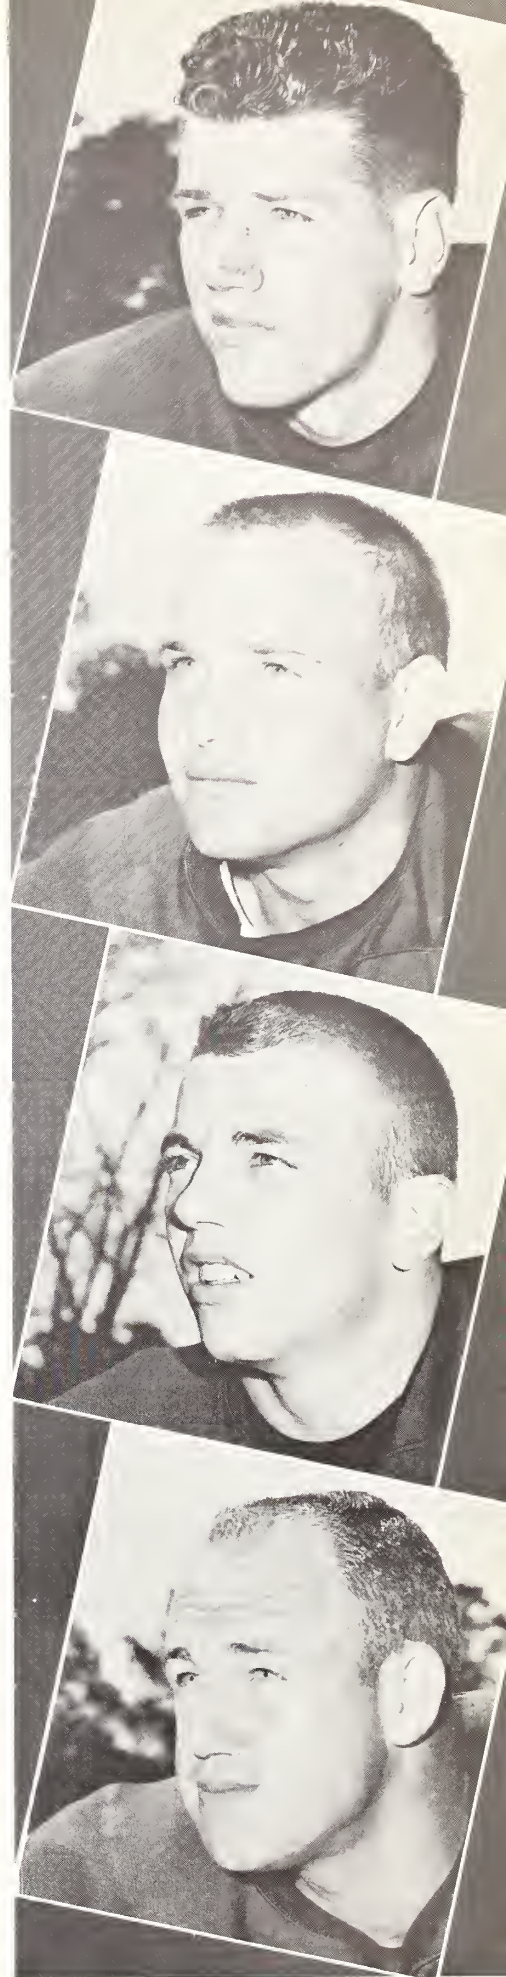

Immediately after the Tech touchdown, Southern rolled from its 36 to the Bulldog 17 before the half ended. Fuell reeled 33 yards running while looking for pass receivers. Southern drove to the Tech six after the Bulldog field goal. On fourth and three, Larson's field goal attempt was blocked. The Southerners drove from their 15 to the Tech 11 with the final 3:45 seconds left in the game running out. Fuell and Morrow, a deadly pass combination all night, chalked up most of the yardage in the march, which had everyone in the stands on their feet. Fuell passed to halfback John Sklopan for 27 yards in the drive.

Offensive aces for the Southerners included Fuell, Morrow, Sklopan and fullback Mike Orlander, who electrified the crowd with an 85 yard run with an intercepted pitchout which was called back. Line stalwarts included ends Charley Dedwylder and Roger Hicks, tackles Jim Payne and Paul Highstreet, guards Ray St. Pierre and Frank Lynn, and center Harold Hays.

## Mississippi Southern 6

## Memphis State 7

Mississippi Southern's ill-fated Southerners rose from the depths of an 11-point underdog position to give tough Memphis State a real scare, only to see the visiting Tigers tally on a home run pass play with little more than 11 minutes left to go and claim a 7-6 edge. The Southerners had the highly touted Tigers reeling early in the first quarter with the hard running of halfback John Sklopan and fullback Wendell Campbell, who drove in for a quick 6-0 lead after an early field goal attempt by the Tigers was unsuccessful.

Sklopan got the drive underway in the first period by ripping off three straight gains off the left side for 11, 10 and 8 yards. Campbell then took over and rammed his way straight through the middle for 15 to the Memphis State 36. The climactic play saw Campbell slip through for the marker to put Southern out in front 6-0. Billy Larson's attempt for the extra point kick was blocked by Tiger Glynn Russell.

Morris Meador brought the Southerners out of danger in the second quarter by intercepting a James Earl Wright pass on the Southern 10. Larsen tried a field goal in the fourth quarter which went wide to the right. Memphis State took possession and were at their 18 when Wright unleashed a mighty last ditch toss almost instantaneously after being hit by a Southern defender. The aerial play was good for 82 yards and a touchdown as Southern's upset hopes went down the drain. Quarterback Jack Carter converted for the winning margin.

## Chattanooga 6

Mississippi Southern smashed Chattanooga 30-6 on a muddy field Thanksgiving Day to complete their first season in the major college ranks with a respectable 6-4 mark. Chattanooga wrapped up at 5-5. Southern ripped off touchdowns in every period, but had to wear down the stubborn Chattanooga team before turning the game into a runaway. The Southerners led 12-6 at halftime.

In the game's early moments, a pair of fumbles proved costly to Scrappy Moore's contingents. End Leon Akins plopped in on one at the Southern nine to quell a serious Moccasin threat. A few moments later, guard Ray St. Pierre leaped on another bobble at his own 44 and the Southerners swept goalward. Don Fuell fired a 22 yard pass to Akins for a first down on the Nooga five and two plays later, fullback Wendell Campbell crashed in for the initial score.

Chattanooga quarterback Jim Bradshaw took complete control of the Mocs in the second period, completing a 20 yard pass, breaking loose for a 38 yard run and finally sneaking in to tie the score from one foot out on a fourth down play. Dan Pugh, an unusually adept broken field runner for a fullback, snagged a five yard Morris Meador screen pass moments after the ensuing kickoff and zig-zagged 70 yards to the Nooga 19. Halfback Tommy Morrow promptly raced 14 yards to the five and scored a few plays later.

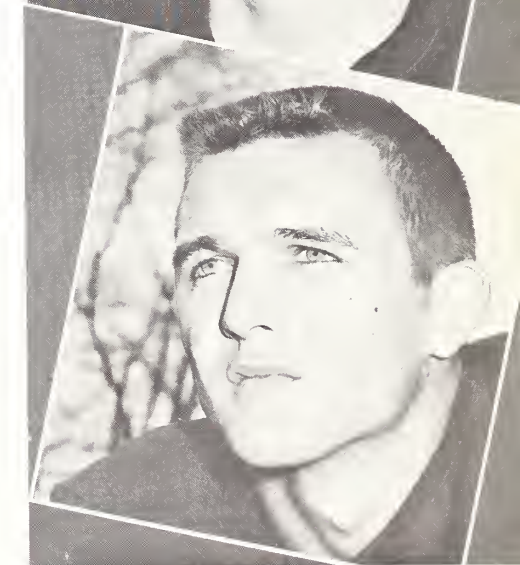

In the second half, Southern was in control all the way. Soph. halfback Jimmy Havard romped 47 yards to the Mocs' 13 to set up the third score. Pugh knifed off tackle for the tally. Meador intercepted a Bradshaw pass late in the third quarter to plant the Southerners firmly in Moccasin territory. Mike Orlander bombed right tackle from four yards out to climax the resulting 32 yard drive. Val Kecklin engineered Southern's final drive. Frosh halfback Jack White drove the final three yards for the touchdown.

Tackle George Hultz, guard George Jones and Akins were standout operatives in the line for the Southerners. No extra points were registered in the contest.

In the remaining seconds of the Nichols State game, Ben Gantt stole the ball from the NS basketekers and sank a layup to score the last two points of the contest and at the same time push the score to the century mark as Southern rolled to an easy 100-73 victory. Al Delia led the offensive by scoring 24 points.

The hopes of the Demons of Northwestern Louisiana were shattered when within the last five minutes of the game Richie Goldberg hit four field goals in a row to make the final score Southern 70—Northwestern Louisiana 58.

Memphis State proved to be the spoiler of Southern's unblemished record as they snapped Southern's winning streak by a score of 72 to 55. MSU's Wayne Yates led in the scoring onslaught.

The Mississippi Southern Golden Giants, paced by the outstanding performance of sophomore center Bill Lundberg, padded their winning record with feathers as they plucked a 74-69 decision from the Eagles of Georgia Southern.

The Golden Giants spanked the stalling Bears of Mercer University at Macon, Ga., 61-47, with a brilliant brand of defensive play and the rebounding strength of Bill Lundberg, Al Delia and Ben Gantt.

In a home game seven Southerners splashed into the double figures in scoring as the taller, talented Golden Giants outclassed Mercer, 96-55, their most one sided win of the year.

Richie Goldberg, the Little Giant.

A field goal by forward Ben Gantt in the last nine seconds of the Louisiana Tech game added a 50-48 decision to the Golden Giants' win column as they prepared to pack their uniforms and leave the friendly confines of the Southern's field house and swing into Florida and Alabama.

The combined efforts of forward Al Delia and guard Richie Goldberg paced the Mississippi Southern Golden Giants to their 16th victory of the season as the Giants dumped the Jacksonville Dolphins 72-62. Al Delia was the high scorer with 25 points.

Mississippi Southern's overtime experts pulled out their fourth extra period victory of the season by ripping past Florida Southern 74-62. Al Delia and Richie Goldberg share scoring honors, each having 16 points apiece. The Golden Giants downed outclassed Spring Hill 87-54.

With sophomore center Bill Lundberg pacing the attack with 20 points and snatching 16 from the back board, the Golden Giants of Mississippi Southern College got back on the winning trail, by downing the Demons of Northwestern Louisiana State 68-54.

Gradually picking up steam for a swirling finish, the Golden Giants belted down Georgia Southern, 70 to 50. With Lundberg and Delia furnishing most of the fireworks, Southern rolled up a substantial lead in the opening minutes of the second quarter and were never headed.

Guard Roy Danforth went into action to help the Golden Giants roll easily over Delta State. He dropped in 24 points while scooping up 13 rebounds in the rout. The score was Southern 74—Delta State 56.

The Centenary Gentlemen again foiled the Golden Giants, due to Don Ensley who calmly dropped in five free throws in the waning minutes of the game to make the final score 67-63.

Two free throws by Ben Gantt with three seconds left gave the Golden Giants a 56-54 final edge in the game against Belmont Abbey. Three Southern seniors saw their final collegiate play, Captain and forward Alex Delia, forward-center Don Clinton and forward-guard Clyde Mills.

### *Parade of Talent*

The second annual Kappa Delta Pledge Class Parade of Talent was a booming affair with over twenty contestants. Mr. Pat Patterson kept the show rolling as the Master of Ceremonies for the second year. This year, as usual, the crowd and line of talent were bigger. The judges were chosen from the faculty.

Judy, Sandra, and Emily kept the audience in stitches with their crazy pantomime.

The Kappa Delta's won first place in the sorority division as they sang "Jingle Bells" and "Kappa Delta Dream."

First place in the fraternity division was won by Kappa Sigma with their rendition of "The Kappa Sigma Pin Song" and "Noel."

Barbara Johnson (Laurie) and Billy Gerald Stewart (Curley) decide that they don't care if "People Will Say We're in Love" in this second act scene from OKLAHOMA.

## Oklahoma

One of the highlights of the school year has come to be the All-Campus Musical, representing the combined efforts of the Art, Band, Dance and Theatre Departments. Under the direction of Gilbert F. Hartwig, last year's production of Rogers and Hammerstein's OKLAHOMA proved most successful. Students from just about every department on the campus work together in a massive joint endeavor. Currently in rehearsal as we go to press is the 1961 musical, DAMN YANKEES.

The All-Campus Musical began several years back when Robert Hays wrote HEY DAZE, an original musical based on campus life. Following it came BRIGADOON and GUYS AND DOLLS, and, last year, OKLAHOMA.

Laurie's friends, getting ready for the picnic, sing and dance to "Many a New Day" as Laurie dreams about Curley.

Laurie and Curley set off on their wedding trip, to the well wishes of their friends in the surry with the fringe on the top.

The whole company, in the title song of the production, as they salute the audience and sing of the wonders of "Oklahoma".

The girls' chorus agrees with Laurie that "Out of My Dreams" can come the answer to any problem a girl might face.

Dancing cowboys do the Can-Can with some of Jud's Frency Postcard girls in this moment from the Dream Ballet during OKLAHOMA.

Lynda Smith (Hedda), Gary Williams (Tesman), Sandra Wise (Thea) and Richard Strahan (Judge Brack) are seen in a scene from Ibsen's *HEDDA GABLER*, a thesis production directed by Patricia M. Hays.

## MSC

Pictured here are scenes from the Southern Players' productions of the past several months. The Spring Major production for 1960 was a seldom produced comedy by Gertrude Stein about the problems of the French Underground during World War II. Patricia Hays' graduate thesis production of *HEDDA GABLER* followed, and Fall saw a highly successful tour of *THE LAND OF THE DRAGON*. The Southern Players

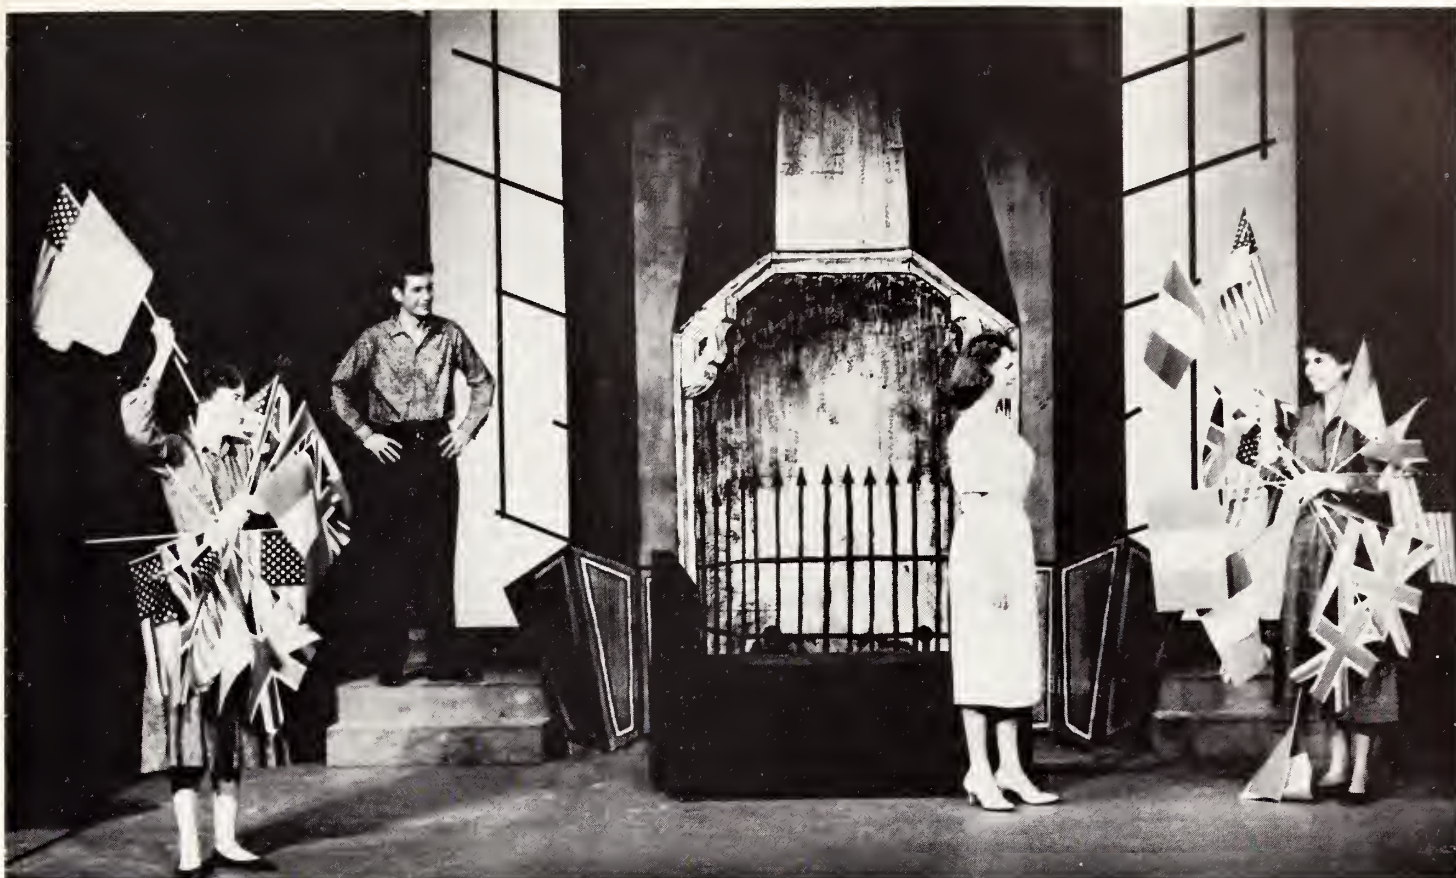

Nona Whittington (Jennet) and Mike McIntosh (Thomas) compare their philosophies on life in Christopher Fry's *THE LADY'S NOT FOR BURNING*, fall production of the Theatre Department.

Whittington and McIntosh share their problems with Don Hood (Humphrey) and Don Seay (Nicholas) in *THE LADY'S NOT FOR BURNING*.

Fall production was Christopher Fry's charming verse comedy, THE LADY'S NOT FOR BURNING. Scheduled for Spring is an original play by Mary Eleanor Ellis about a Mississippi family during the Civil War, tentatively entitled THE CRY OF THE JAY.

The villains watch the Princess playing with her pet bird while the bored property man and the three wicked cousins look on in THE LAND OF THE DRAGON.

Dick Strahan (Road Wanderer) and Carole Hill (Princess Jade Pure) discover true love in this scene from the annual touring Children's Play, this year THE LAND OF THE DRAGON.

Don Seay (Gaston) and Carole Hill (Gigi) have a serious moment's discussion in the delightful play *GIGI*.

Terry Saucier, Billy Gerald Stewart, Nona Whittington (Sabrina) and Gary Williams are concerned over Sabrina's skinned knee in *SABRINA FAIR*.

## Summer

The second season of the MSC Summer Theatre was held on the Campus, having moved back to the Air-Conditioned Southern Playhouse after its initial season in Pascagoula on the Gulf Coast. Sixteen students, from six states and seven different colleges enrolled for the eleven week program.

Guest stars from the community made appearances in each of the productions, and added a "professional" touch to the program, which was directed by Robert M. Treser,

Jimmie Ruth Hawkins (Shiela Broadbent) works on arranging Carole Hill's (Jane Broadbent) life in this scene from *THE RELUCTANT DEBUTANTE*.

Nona Whittington (Mollie Ralston) explains her Mysterious behavior to Terry Saucier (Detective Trotter) in Agatha Christie's *THE MOUSETRAP*.

This choir appears in concerts throughout the state of Mississippi and, in some instances, adjoining states. Every member of the Hattiesburg Choral Union which presents Handel's "Messiah" each Christmas.

Each Spring there is a state tour of the Vesper Choir which lasts for an entire week. High Schools, churches, and junior colleges are visited, and programs are presented. This is only a part of the public relation program of the choir. For example, each civic club in Hattiesburg has at least one program from the Vesper Choir during the school year. Other activities include: Religious Emphasis Week Concert; Fine Arts Week Concert; cooperation with the Hattiesburg Choral Union in their Spring Concert.

# Counselors

The counselors live in the freshman girls' dormitories. They are there to advise the girls and help them during their all important first year. This is one of the top honors that can come to a woman student at Southern. Mrs. Sanderson and Mrs. "Miss Polly" Wilson, who are the house mothers in the Freshman girls' dormitories assist the counselors in their never ending job.

From left to right; **Front Row:** Gerry Read, Mrs. Sanderson, Mrs. "Miss Polly" Wilson, June Wood, Carole Coleman, Marilyn Darby, Louise Stuckey, Gail Finlay, Janie Vincent, Gail Gunner, Barbara Steelman, Prissy Balkler, Betty Boyd. Absent: Harriet Stovall.

**Seated** from left to right: Clyde Mills, Claude Renfro, James Zager, Harry Hopkins, C. H. Hagenson, Director of Housing.  
**Standing** from left to right: Kenneth Hughes, Ben Willoughby, Frank Teneralli, Marshall Fayard, Gary Fellows, Supervisor, Charles Hand, Richard Doiron, Joe Price Everett, Marvin Johnson.

Proctors are students employed by the Housing Office to assist in the management of the residence halls. Each has specific responsibility for a given area of the building and for the residents of that area, but his authority extends to other areas or buildings as needed. The "Proctor system" has proven to be very effective, an eloquent commentary on the high caliber of the men selected to serve as proctors, and on the ability of students in general to accept and discharge responsibilities.

"When I was small I thought  
of heaven as a place full  
of angels, and also as a  
place of emptiness.  
Then my grandmother died  
and I felt as though  
I knew one person in  
heaven. As more of my

visualized a heaven beginning  
to be filled with friends.  
But when 'Mom' Hopkins

thousands of students—the  
students she loved—felt  
just a little closer to  
God."
